By signing below, I hereby authorize Baylor Genetics to provide my insurance carrier any information necessary, including test results, for processing my insurance claim. I understand that I am responsible for any co-pay, co-insurance, and unmet deductible that the insurance policy dictates, as well as any amounts not paid by my insurance carrier for reasons including, but not limited to, non-covered and non-authorized services. I understand that I am responsible for sending Baylor Genetics any and all payments that I receive directly from my insurance company in payment for this test. Please note that Medicare does not cover routine screening tests.

Patient's Printed Name | Patient's Signature | Date (MM / DD / YYYY)

STATEMENT OF MEDICAL NECESSITY (REQUIRED)

This test is medically necessary for the risk assessment, diagnosis, or detection of a disease, illness, impairment, symptom, syndrome, or disorder. The results will determine my patient's medical management and treatment decisions. The person listed as the Ordering Physician is authorized by law to order the test(s) requested herein. I confirm that I have provided genetic testing information to the patient and they have consented to genetic testing.

SAMPLE SPECIFICATIONS TABLE

SAMPLE NAME	SHIPPING INSTRUCTIONS	SPECIAL NOTES
Blood Spot	Ship samples in envelope at room temperature by overnight courier or by first class mail.	Dried blood spot specimens should be collected by carefully applying a few drops of blood, freshly drawn by finger stick with a lancet from children or adults, or by heel stick with a lancet from infants, onto specially manufactured absorbent specimen collection (filter) paper. The blood should be allowed to thoroughly saturate the paper and air dried for a minimum of 3 hours. Caked or clotted specimens are not acceptable and should not be shipped.
